**Todd Prince Beat Reporter for Roaring Lions Tackle Football Club
Plano, Texas**

3rd EDITION

August 22, 2024

Although the hot Texas weather is at over 100 degrees, the Roaring Lions Tackle Football Club is ready to strap on full pads and go into battle against the team from Prince of Peace. The opponent tonight should be great competition for the team to get a better feel of the game by going against a different opponent other than themselves.

The Roaring Lions Tackle Football Club were smooth on their first 25 snaps and were able to move the ball down the field easily against the opponent with a consistent play calling of run and pass plays. They were able to punch the pig skin across the goal line numerous times and the coaches were very enthused by the efficiency of the offense. Coach Magee states that his guys are really adapting to the offense and was very pleased by what the boys did the first series of plays. He stated he was hungry after the scrimmage because of all the pancakes the offensive line had.

Prince of Peace was unsuccessful in penetrating the end zone much less across midfield as the defense's swagger tonight was the football will not move to their half of the field. The defensive coaching staff was very excited on the penetration of the defense in the backfield clogging up any runs for success. Also, the constant pressure from the defensive linemen and linebackers forced the quarterback of Prince of Peace no time to launch a pass down the field.

On the second and final series of the scrimmage, it was pretty much the same thing as the first series. The Lions' running backs and quarterbacks were very successful in most if not all rushing attempts. The passing game was very efficient, and the quarterback and the tight end were able to connect for a 25-yard touchdown pass.

The Lions' defensive line was a wrecking ball as they had continual penetration in the opponent's backfield. All defensive players made a statement tonight that it is going to be very difficult to score on the menacing defense. As we all know in football, defense wins Championships!! After the scrimmage ended, both teams huddled up as a unit and congratulated each other as well as praying and giving thanks to our Lord, Jesus Christ!! The Roaring Lions Tackle Football Club will go into battle again on Saturday against Iron Horse who is a select team and should give our team great competition to increase their skill set.
