## **Family Lions Roar Football Club Decal Night**

**Tonight was a very special night for all of the boys because tonight they received their Lion helmet decal to solidify their position on the team. The 21-man roster is crowned with their Lion logo and a chance to create excellence. All of the parents are so proud of their teamwork, dedication, and commitment to being the best Christian and football player on the Planet. With Christ's guidance and love, I only wish that no one gets injured for all teams in the ASA league and that the Lions Roar Football Club can change any player's life who doesn't have God in their life. I have been covering this team for over 3 months and I have to say that they are the most incredible kids, and their parents should be so proud of their hard work creating and growing such great leaders of the present and the future. The next report on the Lions Roar Football Club will be on Friday after the last scrimmage of the preseason. God Bless!**
