 - Chief Cunningham explained that the current pay scale was inconsistent, with increases anywhere from 1% to 4%. With the new pay scale, all step increases, as well as promotional increases are consistent across the board. This will increase our wage costs for the rest of the fiscal year by \$8,000. For the next fiscal year, this will increase our wage costs by \$24,000.

 - Director Bonnee seconded. All in favor, motion carried.

E. REVIEW, DISCUSSION, AND POSSIBLE ACTION ON SETTING A MAXIMUM SPENDING LIMIT FOR FIRE CHIEF AND ASSISTANT FIRE CHIEF.

- Chief Cunningham explained that nowhere in the current policy is there listed a spending limit for neither fire chief nor assistant chief. He believes a standard \$5,000 spending limit for both fire chief and assistant chief is more than adequate. Anything more would be brought before the board for approval, with the exception of emergency vehicle repair.
 - Director Bonnee motioned to approve a \$5,000 spending limit for both the fire chief and assistant chief, with the exception of emergency vehicle repair.
 - Director Collins seconded. All in favor, motion carried.

F. REVIEW AND DISCUSSION ON THE CHLORIDE PROPERTY.

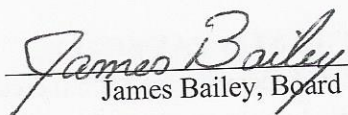

- The district attorney reviewed the proposed property lines for Chloride, to be divided between our Fire Department, the Water District, the library, and a vacant fourth lot. These lines, while having been simplified, still raise the concern that our emergency vehicles may not be able to fit in the width of property provided. Director Collins recommended a 30 ft. easement (15 ft. onto our property, 15 ft. onto theirs) and asked this to be suggested to the other party. Chairman Bailey directed attorney Donna Aversa to accept service on behalf of the district.

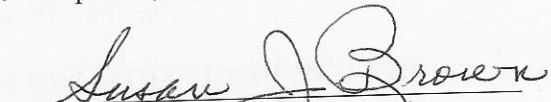

8. ANNOUNCEMENTS – No announcements.

- Chairman Bailey motioned to adjourn at 6:43 p.m.
