PRESS RELEASE

The Northern Arizona Consolidated Fire District #1 received a report of a wildfire near Northfield Ave. and Roosevelt at 1450 hours on Tuesday 8/8/17. The district responded with the Fire Chief and two engine companies with a total of eight (8) personnel. Firefighters arrived to find a shed attached to an unoccupied, single-wide mobile home involved in fire with nearby vegetation and trash burning. The fire was quickly controlled thanks to the quick action of neighbors and responding firefighters. Cause of the fire was determined suspicious with evidence located on scene indicating that this fire was intentionally set. The MCSO was contacted to assist in the investigation. Witnesses identified two suspects who were detained, questioned, and released by MCSO. No injuries were reported and damage to the structure was minimal.

“I would like to thank the neighbors for their quick action in suppressing the fire and identifying potential suspects. The public is reminded that there is a current \$13,000 reward available for information leading to the arrest and conviction of the arsonists in our community.” (Eder, 8/17)
