#### NACFD Open House a Success

**Kingman** – NACFD1 staff and volunteers proudly hosted an open house at recently reopened fire station 33 on Anchor Dr. off Stockton Hill Rd. Saturday 11/18/17. The station was open to the public from 11-2 PM and personnel served food and drinks donated by the following grocery stores in Kingman:

- Smith's
- Safeway – North
- Walmart

Approximately 70 local citizens visited the station, which reopened in October after being closed for several years due to budget constraints. The District's volunteer firefighters were conducting wildland firefighter training during the day which gave visitors the opportunity to observe the firefighters in training and ask questions about volunteering. District apparatus was showcased to the public, providing many with a firsthand look of what tax dollars are spent on.

Station 33 was built on land donated by Board Chair Patti Lewis in 2003 and completed in 2006. Currently the station is staffed by one full-time firefighter with support provided by the districts 14 volunteer firefighters.

"It was indeed an honor to host our open house and showcase the capabilities of our volunteer firefighters. Thanks to Smith's, Walmart and Safeway-North for providing food and drinks for the event!" Eder, 11/18.
