PRESS RELEASE

FOR IMMEDIATE RELEASE 2/28/18 –FIRE DESTROYS DOUBLE-WIDE MOBILE HOME

An apparent accidental fire destroyed an occupied double-wide mobile home north of Kingman on Wednesday, 2/28/18. The NACFD1 received a report of a structure fire at 5:36 AM and responded with a Battalion Chief, two engines; one pumper-tender and a water tender to the 7200 Block of Avenida Choluteca X Stockton Hill Rd. Upon arrival, Battalion Chief Tim King assumed overall command. Responding firefighters found an adjacent travel trailer exposed to fire which was protected by hose streams and fire spread was stopped before impacting adjacent wildland areas.

A total of 8 firefighters responded including four NACFD1 Volunteers.

The cause of the fire is being considered accidental based on homeowner statements and appears to be related to the use of the fireplace. The fire spread through the attic area quickly resulting in the eventual collapse of the roof. The structure was occupied by five residents at the time of the fire and the occupants were able to safely exit the home with no injuries reported. The structure was a complete loss.
