Building Plan Review

The following information is required on all building plans so an appropriate review may be accomplished. If any items are missing, it may cause a delay in the review process. With all information included, please allow 5 to 7 working days for the plans to be reviewed.

Date: _____

Owner: _____ Developer: _____

Address of Site: _____ Phone: _____

_____ One (1) copy of plans to the fire department

_____ Floor plans

_____ Elevations

_____ Electrical plans

_____ HVAC Plans

_____ Fire Sprinkler plans

_____ Fire Alarm Plans

_____ DIMENSION OF BUILDING(S)

_____ OVERHEAD/UNDERGROUND UTILITIES (include location of entrance into building)

_____ UTILITY SHUTOFF (i.e. electric, gas, water)

_____ EXIT CRITERIA

_____ EXIT LIGHTING

_____ EMERGENCY LIGHTING

_____ PANIC HARDWARE

_____ PREMISES IDENTIFICATION

_____ FIRE EXTINGUISHERS

_____ FIRE DEPARTMENT SPRINKLER RISER

_____ SANDPIPES (if required)

_____ FIRE PUMPS

_____ FIRE DEPARTMENT CONNECTION (if required)

_____ FIRE ALARM CONTROL PANEL(S)

_____ HOOD AND DUCT FIRE SUPPRESSION SYSTEMS

_____ KEY BOX LOCATION

_____ SMOKE/HEAT DETECTORS (where required)

_____ FLAMMABLE STORAGE

_____ COMPRESSED GAS STORAGE

_____ SPRAY BOOTHS

_____ OBSTRUCTIONS (i.e. walls, gates, fences)

_____ OTHER ITEMS NECESSARY FOR TYPE OCCUPANCY

We highly recommend you schedule an appointment to discuss items needed *prior* to finalization of the drawings. This may reduce the turn around process time for the review. Please contact Northern Arizona Consolidated Fire District #1 for further assistance.
