

**God values all  
people...**

**So do we.**

**Royersford  
Baptist Church**

452 South Lewis Rd.  
Royersford, PA

Royersford Baptist Church ministers to and with all people regardless of sexual orientation, gender identity or gender expression.

This is consistent with our long-standing commitment to be a church that includes all people.

Responding to racism, anti-immigrant violence and bias against other faiths, we voted in 1931 that all people are welcome to attend, worship and seek membership in our church regardless of “nationality, color or station in life.”

When Dr. Martin Luther King Jr. was assassinated in 1968, we reached out to Coretta Scott King and other civil rights leaders to join in “seeking to fulfill his high goals.”

When our area’s oldest Jewish cemetery was vandalized in 2017, we paid to help restore the cemetery and increase security against anti-Semitic acts.

Racism, anti-Semitism, homophobia, Islamophobia, and hatred of immigrants deny God’s love.

The SAFE SPACE logo signifies that RBC is a safe, welcoming and accepting community for people of any nationality, race, ethnicity, gender, sexual orientation, gender expression, age, ability or social class.
