7 Nov 66. During MEDEVAC escort out of MMAF Capt CAVERLY and Lt FESPERMAN were both WIA by small arms fire in the vicinity of AT 992593. Both pilots hit during recovery from strafing attack. Capt CAVERLY was able to fly the Aircraft back to "C" Med where Lt FESPERMAN was admitted and continued on to MMAF. He was then taken to G-4 hospital and admitted.

While escorting TB 5-0 and BC 2-11 flights for extraction of Construe 14 and some ARVN Troops from BS 485755, Major DODDS' section received fire from BS 488756 to BS 489754. As TAC (A) controlled Oxwood 60-1 and 61-1 on targets between those coordinates, extraction then completed without incident.

Capt BARTLEY flew BGen STILES to Tam Ky and several CP's in the area.

Capt OLSON was scrambled to escort PG66-1 for resupply of Pennant Winner 14 at AT 996604. After completion of the resupply and one MEDEVAC, Capt OLSON remained on the scene as TAC (A) and controlled strikes by Oxwood 05 and Condole 054 on area where heavy sniper fire had been received.

8 Nov 66. While escorting BC 2-22 flight to BT 131203 for retraction of "DAMPEN" and "CROSSING" Capt WATERS' section noted S/A fire coming from the vicinity of BT 062208, BT 062211, and BT 069203. Capt WATERS, as TAC (A) controlled strikes by Oxwood 67 flight on targets in the area of these coordinates.

9 Nov 66. As TAC (A) Maj DODDS controlled Oxwood 60-1 and Swiss 61-1 for LZ preparation at BS 445843 and BS 441848.

Capt CHILDRESS flew BGen STILES from VIP pad to ROK CP and returned to VIP pad.

Capt CHILDRESS flew Gen LEE to Quang Ngai and BS 515768 and returned him to ROK CP. Later Capt CHILDRESS took Gen LEE to IIIMAF pad and then returned him to ROK CP.

Capt BARTLEY scrambled from Phu Bai to aid a Recon Team being attacked and surrounded the vicinity of VC 990967. Capt BARTLEY expended his own ordnance and controlled strikes by 3 fixed wing flights in a effort to suppress the intense fire in and around the LZ. Capt BARTLEY was forced to return to Phu Bai for fuel and ordnance, and only after returning to the LZ and again delivering suppressive fire were the transport helicopters able to complete the extraction. A pilot of one H-34 received small arms wound in his leg.
