

# ☀️ How to Read a Birth Chart: Planets, Signs & Houses 🌙 ✨

Welcome to your guide for understanding **how astrology works** in your birth chart! Every chart tells a story through **three core ingredients**:

☀️ **Planets** – *what is happening* (the action) 🌈 **Signs** – *how it is happening* (the style) 🏠 **Houses** – *where it is happening* (the area of life)

When you combine all three, you get a clear picture of *what energy is active, how it behaves, and where you feel it in life*.

---

## 1 Planets — What is happening ⚡

Planets describe **drives, instincts, and processes**. They are like **verbs** in your chart — they show *action*.

### Core Planetary Processes 🌌

- ☀️ **Sun** – identity, vitality, purpose, ego expression
- 🌙 **Moon** – emotions, instincts, subconscious
- ♿️ **Mercury** – thinking, communication, learning
- 💖 **Venus** – love, attraction, values, money
- 🔥 **Mars** – drive, anger, desire, assertion
- ☀️ **Jupiter** – growth, expansion, opportunity, beliefs
- ⌚ **Saturn** – limits, discipline, responsibility, structure
- ⚡ **Uranus** – change, awakening, rebellion, innovation
- 🌊 **Neptune** – dreams, spirituality, illusion
- 🔥 **Pluto** – power, transformation, rebirth

**Example:** Mars shows *how and where you assert yourself, fight for what you want, or chase desires*.

## 2 Signs — How it is happening 🌈

Signs describe **the style and flavor** of the planet. If planets are *verbs*, signs are **adverbs** — they explain *how the action happens*.

**Example:** Mars in Different Signs ✨

- Aries – fast, impulsive, aggressive 🏹
- Taurus – slow, persistent, stubborn 🐮
- Gemini – verbal, clever, chatty 💬
- Cancer – protective, defensive, emotional 🦀
- Leo – dramatic, expressive, proud 🦁

- Aquarius – rebellious, unconventional, innovative 🌊
- Pisces – intuitive, dreamy, sensitive 🐟

The **same planet acts completely differently** depending on the sign! ☀️

### 3 Houses — Where it is happening 🏠

Houses are **life areas** where planetary energy shows up. If planets are verbs and signs are adverbs, houses are **locations**.

#### Key House Themes ☀️

- 1st House – self, appearance, personal identity 👤
- 2nd House – money, values, self-worth 💰
- 3rd House – communication, siblings, learning 📖
- 4th House – home, family, roots 🏠

- 6th House – work, health, daily routines 📁

### 4 Putting It All Together ✨

**Planet + Sign + House = Meaning**

## Example Interpretation

### Mars in Taurus in the 6th House

- **What:** Drive, effort, conflict (Mars) ⚡
- **How:** Slow, stubborn, persistent (Taurus) 🐂
- **Where:** Work, routines, health (6th House) 🧳

This placement shows someone who:

- Works steadily and resists sudden change
- Holds onto work-related frustration
- Needs routine and grounding to feel balanced 🌱

## Core Rule to Remember

🌟 Planets show *what* is happening 🌈 Signs show *how* it is happening 🏠  
Houses show *where* it is happening
