ABOUT US

At the heart of Victor's community life, the Victor Community Development Office works to strengthen local businesses, promote economic vitality, and create experiences that connect residents and visitors to all that Victor has to offer. Through strategic marketing, business support, and community-driven initiatives, Community Development focuses on increasing visibility, foot traffic, and engagement throughout Victor.

Working alongside these efforts, the Town of Victor Parks and Recreation Department is committed to serving residents of all ages and abilities by providing a balanced system of parklands, preserved open spaces, and inclusive recreational programming. Through events and activities held throughout the year, Parks and Recreation helps bring the community together, activate public spaces, and attract residents and visitors to Victor—supporting local businesses while promoting healthy, active lifestyles.

Together, these departments collaborate to deliver a diverse calendar of events and programs—from large-scale community festivals and seasonal celebrations to recreational, wellness, and family-friendly activities—creating meaningful experiences that benefit residents, visitors, and local businesses alike.

As community-focused departments, Victor Community Development and Parks and Recreation rely on the partnership and investment of sponsors. Your support allows us to continue delivering impactful events, promoting local businesses, enhancing public spaces, and strengthening Victor's local economy.

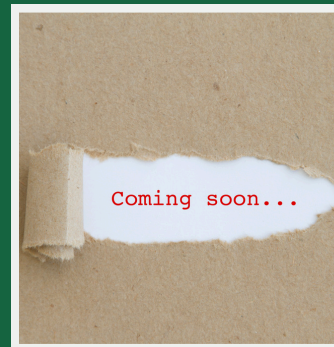

Together, we're building a vibrant Victor—one event, one program, and one partnership at a time.
