Book Cover

Book Cover-Email us a copy of the Book Cover, or we can take a copy from Amazon if the book is on Amazon for sale. It may be sent in Word, Jpeg, or PDF. We do not need the back cover, but if it is attached to the front, that is OK. We will remove it because only the front cover is posted on the website. Where is Your Distribution?

The on-line power of the Book Marketplace Net is the ability to connect the author’s personal website with the outlet for sales displayed in one location (a high-traffic topic-specific website). We have no control over the sales price or distribution (and do not sell books directly from the website), but connect the existing outlets which the author already is utilizing. Authors may select to have us connect directly to Amazon (if their book on Amazon for sale), their personal website (if they are distributing on the website) or their personal email (if they chose to send out books from their residence). We do not post phone numbers or addresses. Authors may post up to 3 books. Use Add Book Form for book # 2 and #3 if indicated.
