

HOW TO START YOUR WEIGHT LOSS/SUPPLEMENT INJECTION PROGRAM

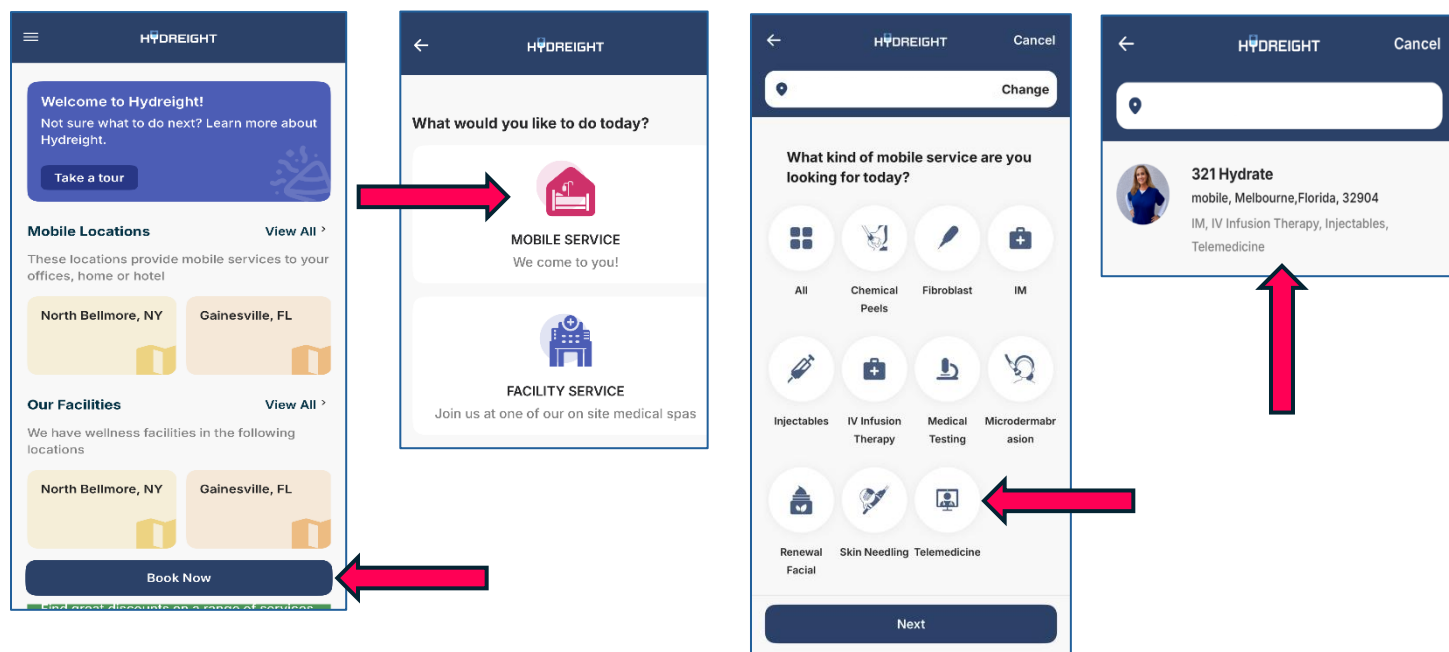

1. Download the Hydreight Wellness App from your app store.

2. Complete your Client Account, Profile and Medical History. Please enter the address where you want your medication to arrive! Please be sure to add a payment source. The app will not let you book your service without first entering a payment source. You will not be charged until you are approved, however, it will preauthorize your card.*

3. Book an appointment! Choose Mobile Service, Telemedicine, and 321 Hydrate.

- Choose the service (GLP or desired supplement) you wish to start. Complete and submit your pre-assessment; answer all the questions and enter your age, height and weight.

PATIENT SPECIFIC SERVICE

You have selected **Semaglutide** which is a Patient Specific Service.

STEP 1
Complete a Pre-Assessment to determine your suitability for Semaglutide.

STEP 2
Book a Check-in with a trained professional. We need to make sure there aren't any underlying factors that would disqualify you from getting treated with Semaglutide. A trained professional will come to your house and complete the check-in. You will also be given information about Semaglutide and how to self-administer the medication safely.

STEP 3
Once your check-in is complete, you can book a consultation with a Healthcare Professional.

STEP 4
The Healthcare Professional will recommend a Semaglutide Program.

STEP 5
Order your Semaglutide from Hydreight app. Once it arrives at your address you can start your Semaglutide Program.
