I'm not sure I understand your query. See ad content: “Sorry, we are not able to accept electronic submissions. If you would like us to include you in our headshot file, please mail a copy of your headshot and resume.”

I emailed you the files with my resume and headshot. You responded after I sent them asking me to mail them. Would you like me to snail mail a hard copy?

If you would like to submit for our files, yes, we would need a hard copy either mailed or dropped off in person. “We are not able to accept electronic (emailed) submissions.”

NOT JUST ACTORS FROM A PLAYWRIGHT

Just wanted to follow up regarding any materials you might have for casting. There's one role left that we're trying to fill. Male, 20s or early 30s, a bro-y, frat boy type. Please let me know if you have any leads. Much appreciated!

We have books filled with headshots and resumes that your director can go through. Please give him/her my email address and I will be happy to set up a time to make them available.

Director

Thanks. Does this book need to be viewed in-person?

Book S. Yes. There are about a dozen (maybe two of non-union young men).
