

That feeling when...

You find a job with:

- PURPOSE
- FLEXIBILITY
- GREAT REWARDS
- AND FUN OPPORTUNITIES

When you arrive at work, prepare to be greeted by 100 of your biggest little fans. After you've fed them a snack, helped them learn, and taken them to the playground, you'll be our students' newest hero. Friends In Jesus Learning Center is seeking to provide motivated Christians with this type of experience. It all starts with our summer program. Each week, our

campers enjoy daily chapel services, arts & crafts, and all sorts of outdoor play activities that revolve around a different theme. This year, we have been blessed with more enrollments than ever! So, if you love Jesus, enjoy working with children, and are well-organized, we'd love to get to know you and discuss a job opportunity!
