Major Projects

Coming Soon to Transform Currituck County

Mid-Currituck Bridge

This 7-mile, two-lane toll bridge will create a second crossing of the Currituck Sound to help alleviate congestion and improve the flow of evacuation traffic in the event of a hurricane or severe storm.

Currituck Station

Currituck Station is a long-term economic development mixed-use plan developed for Currituck County, which blends residential, commercial, cultural, institutional and entertainment uses.

Off-Shore Wind

One of the biggest long-term projects coming to Currituck County is the development of our off-shore wind energy resources.
