

Community House COVID-19 Visitor Questionnaire Updated as of 4/12/2020

The safety of our employees, partners, residents, families and visitors remain Community House’s overriding priority. As the coronavirus disease 2019 (COVID-19) outbreak continues to evolve and spreads globally, LA County Public Health and Community House are monitoring the situation closely and will periodically update guidance based on current recommendations from the Centers for Disease Control and Prevention and the World Health Organization. Only critical visitors are permitted at any Community House facility at this time.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our residents and visitors, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone in this building. Thank you for your time.

Visitor’s Name:	Visitor Number:
Visitor’s Company/Organization:	Name of Community House resident:
Community House location:	

Self-Declaration by Visitor
