# Hello.

Hey there, I'm Luan, Co owner/ partner at LLP Events and Parties!

Im the owner of a private well established day nursery in Workson with a background in childcare dating back to the school days, I crossed paths with Emma when our little ones started nursery school together in 2011. Fast forward to 2017, Emma joined my team and swiftly climbed the ladder to management, sparking a beautiful friendship between us. In 2023, we decided to level up and venture into a joint business, offering bespoke childcare services at weddings, events, soft play rentals, and parties. We are all about meeting with new people and delivering top-tier childcare with a sprinkle of fun at every event we touch!

Emma

# Hello.

Hello, I'm Emma, a co-owner of LLP Events and Parties along with my close friend Luan. We have a long history, having known each other since our children were young (now all teenagers). My journey with Luan began in 2017 when I started working at her private day nursery in the baby room, and over time progressing to the role of Manager, and our bond has flourished.

Fast forward to 2023, we decided to combine our shared passion and our talents and partnered up to create LLP Events and Parties.

We're the go-to team for childcare at events, weddings, smashing soft play, and epic parties. Some might call us crazy, but we're driven by our love for what we do, creating magic and unforgettable moments. Each service we offer is tailor-made to make your event a truly memorable one!
