

Capabilities Statement

Core Competencies

Experienced and knowledgeable supplier of: valves, actuators, custom valve packages (pneumatically, hydraulically or electrically operated), fittings, custom hose assemblies, tubing, expansion joints and related instrumentation and calibration.

- Over 60 years in house experience assembling and testing valve packages
- **Actuation:** Manual, Pneumatic, Electric, Hydraulic. 1/4 Turn, Multi-Turn, Linear, Rotary Vane. All sizes and torque outputs. On/Off/Jog or Modulating, Fail Safe. Solenoids, Position Indicating Switches, Positioners
- **Valves:** Ball, Butterfly, Plug, Needle, Diaphragm, Pinch, Gate, Globe, Check, Sanitary, Specialty, Sampling, Instrumentation & Safety Relief. Pressure ratings from vacuum to 30,000 PSI. Sized from 1/8" thru 24", fabricated up to 120"
- **Fittings:** Pipe, Weld, Face Seal (Pipe & Tube), VCO, Compression, JIC, CGA, ISO, MILSPEC, Instrumentation, etc.. Sized from 1/16" to 2 1/2". Vacuum to 10,000 PSI
- **Instruments:** Gauges: Test, Process & Digital. Thermometers & Thermowells. Industrial Transducers & Transmitters. Regulators and Switches: Pressure, Level, Temperature & Position. Force Sensors, etc.
- **Calibration:** Tape & Tool Free Fittings, Hand Pumps, Nitrogen Source Kits & Manifolds, FieldLab

Past Performance

NAWCTSD 253 Numerous Awards of Custom Actuated Valve Packages
Gerald F. Hooper 407.380.4266

NEDU – NSD-SATFADS Multiple awards of Fittings, Tescom Soft Goods Repair Kits, Weksler Pressure Gauges, SS Braided Hoses and CPV Replacement Parts as well as CPV Globe, Needle, Check and Shutoff Valves.

Mike Wiser 850.866.6512

NASA – MSFC (5) Ralston FieldLabs for Pressure Relief Valve Testing And Specialty Fittings
Christopher Dolberry 256.544.8653
Richard Cooper 256.544.3544

NSWC – PCB Annually awarded Custom Drain Hoses
Jason White 850.234.4833

NDSTC – PCB Oxygen Charging Whips, Splicing Tape, CPV Adapters, Test Hoses, O-Rings, QD Seal Kits
Steve Wargo 850.235.5220

Differentiators

Independent Manufacturers Representative. This allows us to supply the best products for your project. Greater sight & scope.

When applicable, technically proficient to offer equal to or better than specified. Benefit of decreased expense, better lead time, etc..

Pertinent Codes / Info.
