- HAITI NEW LIFE MINISTRIES' THIRD ANNUAL FUNDRAISER

WARMEST GREETINGS
TO ALL OUR FRIENDS
AND SUPPORTERS

We hope this letter finds you well in 2025 as we share an update on this beloved ministry. After last year's fundraiser we were able to send 14 laptops and 15 treadle sewing machines to Haiti New Life Technical College. We are so pleased to share that they have all been put into use training our Haitian students.

PROGRESS UPDATES

BUILDING

OVERCOMING FOOD INSECURITY THROUGH EDUCATION

Food insecurity is an ongoing problem within the entire world and is felt especially throughout Haiti. We are glad to share that progress has been made on the enclosure for turkeys. During 2024's Annual Haiti New Life Ministry fundraiser we were able to secure the purchase of an incubator, allowing turkeys to be raised from egg to adulthood. This creates a more healthy, resilient bird and allows for generations of birds to be raised from start to finish on our campus. This is an amazing opportunity and step towards fighting food insecurity while creating new generations of sustainable farmers.

SIGNIFICANT PROGRESS ON THE CAMPUS STOREFRONT

We are so excited for this addition which will allow the school to sell goods and services that the students themselves have created using the skills they have acquired through the technical college.

We believe this will create a sense of pride and ownership over the technical trades that the students are learning, plant the seeds and foster a sense of entrepreneurship, and bring in a small income for the college, all while serving and gaining positive exposure in the surrounding community.

PRAYER AND SUPPORT

REQUESTS

HAITI NEW LIFE MINISTRIES

was built through love, sweat, tears, and serious prayer! We believe in the goodness and abundance of God and ask that you join us in prayer regarding our college and its future.

PLEASE PRAY:

for all the volunteers of our ministry, they are the heart and soul that moves our mission forward.

for a successful process in obtaining educational grants for our building projects allowing us to grow and serve more of Haiti's people.

for the lives of our students as they are transformed

for the lives of our educators training our students for the future

for generous sponsors and donors to forward our mission

for both continued and renewed leadership within Haiti New Life Ministries

for success of the 3rd Annual Haiti New Life Ministries Fundraiser

Our president, Dr. Lucner Pierre, and his wife, Luna, travel to Barbados later this spring to obtain a U.S. Visa. Please pray for a smooth administrative process for them. This Visa will allow them to travel to the U.S. to meet with the Board of Haiti New Life Ministries and to visit more churches spreading word of our ministry and the important work being completed in Haiti.

DONORS NEEDED

For Monthly Support and Student Scholarships

Haiti New Life Ministries is also on the search for generous souls who would like to become a Student Scholarship Donor. Your gift would ensure that the life of a Haitian would be immediately changed for the better by sponsoring the technical trade education of an individual who wants to commit to growth and change but may not be able to afford the cost of tuition. A Student Scholarship Donor would have a significant impact on the growth of our technical school and forward our mission of changing a nation.

Haiti New Life Ministries has been at the forefront of our hearts and minds since 2005. It is our goal to put Christ in the hearts of the people of Haiti all while guiding Haiti's people to transform their lives and country through tangible skills and trades. We humbly ask that if you are not a monthly donor you consider becoming one. Any amount given directly impacts a life and can sustain our mission to change the path of this third-world country. Giving on a monthly basis is what provides our ministry with hope and security.

WANT TO JOIN US? NEW BOARD MEMBERS NEEDED

We are seeking individuals who feel compelled to join Gary and LeAnne Glabe in our cause through roles in both support and leadership on the Board of Haiti New Life Ministries. Many hands make light work, and we are actively working to change a nation!

SPECIFIC NEEDS

The technical college is asking for a few specific needs to keep things operating efficiently. A lawn mower for campus upkeep, a refrigerator, a printer for the technical school's office, and maintenance for the school's bus purchased in 2022.

PSALM 1:3

"HE WILL BE LIKE A TREE FIRMLY PLANTED BY STREAMS OF WATER, WHICH YIELDS GOOD FRUIT IN ITS SEASON."

CONTRIBUTIONS

If you feel compelled to contribute towards our cause in any way, please visit our website at haitinewlifeministries.com. Please let us know if there is any specific area where you would like your donation to make a direct impact.

With grateful hearts,
The Haiti New Life Ministries Team

We are 100% donor supported, and we are so incredibly humbled and grateful for our friends who contribute to our cause through financial help, through their volunteer efforts, and through prayer.

THANK YOU!

Dr. Lucner Pierre – President
Luna Pierre – Admin in Haiti
Gary Glabe – Treasurer
LeAnne Glabe – Secretary
