

Help Bring the S.T.E.A.M Circus Residency to Our School!

What We're Raising Funds For

We're raising funds to bring S.T.E.A.M Circus Hawaii to our school — a hands-on residency that combines Science, Technology, Engineering, Art, and Math through circus movement, creativity, and teamwork! This unique program helps students learn problem-solving, coordination, focus, and cooperation — all while having fun exploring balance, juggling, and movement-based experiments that connect to real-world S.T.E.A.M concepts.

Why It Matters

Our goal is to spark curiosity, creativity, and confidence in every child. The residency encourages kids to think like scientists and artists, work together, and discover their own strengths in a joyful, active environment.

Fundraising Goal

We're raising \$_____ to fund the weeklong residency for Grades ____ Funds will go directly toward bringing S.T.E.A.M Circus Hawaii to our school — covering instructor fees, program materials, and equipment.

How You Can Help

Every donation, big or small, brings us closer to giving our students this unforgettable educational experience!

14 Program Date (Tentative)

Spring 2026

Transparency

All funds raised through this campaign will go directly to _____ [School Name or PTA Name] and be used to pay S.T.E.A.M Circus Hawaii, a local educational arts business, to deliver the residency program at our school. Let's make learning "S.T.E.A.M-ingly" fun!
