Message From Benefits Team:

Covid pandemic restrictions over the years have more than challenged our customer service quality. But, Chapter 14's Benefits team, as well as, NSO's in Winston-Salem have worked hard implementing new communication platforms, benefit information seminars, webinars to meet the needs of members! *Please be patient with us and we will get back with you.*

*as a Reminder -* **W**e have no Chapter building, but greatly appreciate the local American Legion Posts for accommodating our events. It's encouraged that our members attend Chapter benefit Info Seminars and invite a fellow comrade! we will set up an appropriate place to meet with you if paperwork needs to be done. Claim application process ranges 30min to 3hrs. 85% of Chapter 14's claims assistance has improved services through phone and email!

*DAV 14 Executive Board pushed through many challenges, as we close out another successful year!*

### Commander's Message:

"It has been an honor to serve Chapter 14 members, for another unbelievable year of growth and achievements. Yet this is still just the beginning of what the DAV Chapter 14 will accomplish for the ill, injured, and wounded Veterans of now and in future generations of Veterans. DAV Disabled American Veterans Chapter 14 continues its dedication to a single purpose: Empowering Veterans and their families."

- Commander John Collins

### Message From Adjutant:

National membership has been very much shutdown by National - we have to request (with a form) for the membership roster or other info. The National Adjutant has sent today (February 21st) an email to Commander and Adjutant advising us that National is allowing us to manually register for new membership roll out access - will inform you at our meeting on March 22, 2022. As per National, Department and Chapter By-laws, the Executive Committee is charged with the operations of the Chapter between meetings - only they can determine when, where and how we meet. As per National, anyone who abuses this, or sets something up on their own, are liable for any charges or problems that may arise from doing things on their own initiative. Looking forward to meeting everyone at American Legion Post 70 in Asheville - see you from about 1100 to 1400.

-Adjutant Bob Scruggs

## Disabled American Veterans

*Reporting on the Sacrifices, Needs, and Great Accomplishments of Veterans*

## Who We Are

DAV is a nonprofit charity that provides a lifetime of support for veterans of all generations and their families, helping more than 1 million veterans in positive, life-changing ways each year.

## What We Do

We are dedicated to a single purpose: **EMPOWERING** Veterans to lead high-quality lives with **respect** and **dignity**. We accomplish this by ensuring that veterans and their families can access the **full range of benefits** available to them; **fighting for the interests** of America's injured heroes on Capitol Hill; and **educating the public** about the great sacrifices and needs of veterans transitioning back to civilian life.

**Covid Challenges:** But Chapter 14 still strives to assist with earned Benefits, Expanding Outreach Programs, and supporting the WNC VA Medical Center
