CHAPTER 14 NEWS

Disabled American Veterans

Reporting on the Sacrifices, Needs, and Great Accomplishments of Veterans

Who We Are

DAV14 is a nonprofit charity that provides a lifetime of support for veterans of all generations and their families, helping more than 1 million veterans in positive, life-changing ways each year.

What We Do

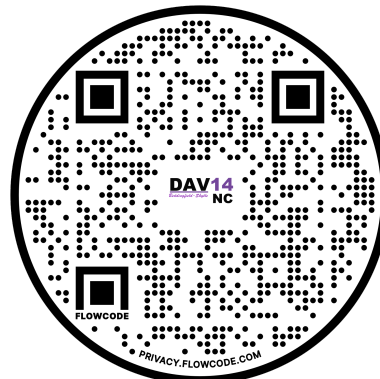

We are dedicated to a single purpose: **EMPOWERING** Veterans to lead high-quality lives with **respect** and **dignity**. We accomplish this by ensuring that veterans and their families can access the **full range of benefits** available to them; **fighting for the interests** of America's injured heroes on Capitol Hill; and **educating the public** about the great sacrifices and needs of veterans transitioning back to civilian life.

-Commander Collins

Message From Adjutant: Chapter 14 continues striving forward - "Doing our small part making the world a better place." While we still have lot of work and many more challenges ahead, but We (Exe Board) are very confident in 10 year plan! Always encourage the Chapter members to get involved, most activities keeping chapter going is done individually at member's house.
