

Arise Kingdom Academy Homeschool

Christ-Centered. Personalized. Purpose-Driven.

Arise Kingdom Academy provides a dynamic, faith-based learning environment where students grow both spiritually and academically. We equip learners with a deep understanding of God's Word and the ability to apply Kingdom principles in everyday life—at home, in their communities, and beyond.

Our homeschool academy serves students from **Pre-K through 8th grade**, offering a personalized approach to education that meets each child where they are.

A Better Way to Homeschool

We understand that homeschooling can be rewarding—but also challenging. That's why we partner with families to provide:

- Individualized and small-group instruction
- Customized, Christ-centered curriculum
- Flexible, year-round learning options
- In-person and virtual learning opportunities

Our experienced educators use diverse teaching strategies to ensure every child learns in a way that fits their unique style.

Focused on Mastery, Not Just Grades

At Arise Kingdom Academy, we don't teach to the average—we teach for **mastery**. Students are placed based on their skill level and learning potential, not just their age. Through targeted assessments and personalized learning plans, we help close educational gaps and build lasting confidence.

Empowering Students & Families

Our goal is simple: to create a safe, supportive environment where students thrive and families feel empowered. With hands-on learning, family engagement, and faith at the center, education becomes meaningful, effective, and lasting.

Grow in knowledge. Walk in purpose. Live the Kingdom.

Gerald and Dorothy Blackmon, Founders, have been homeschooling and educating children and youth for almost 30 years. Together they have experience in the classroom, creating curriculum, child care, and homeschooling of their own children. Together, they provide excellence in educating children.
