

Calamus Root Essential Oil

Botanical Name: *Acorus calamus*

Main Constituents:

Asarones: 78%

Plant Part: Root

Origin: India

Processing Method: Steam Distilled

Description / Color / Consistency: A slightly viscous, pale yellow to brown liquid.

Aromatic Summary / Note / Strength of Aroma: Calamus Root has a faintly sweet, waxy scent with a base note and medium aroma.

Blends With: Lavender, Tea Tree, Rosemary, Clary Sage, Geranium and Marjoram.

Product Abstract: Indigenous to the northern hemisphere, this perennial plant, has greenish berries. It prefers swampy ditches and marshes in a protected position. Also known as Sweet Flag, it was well-known in Biblical times and mentioned in Exodus 30: 22-25 as one of the ingredients of the holy anointing oil.

Cautions: Dilute before use; for external use only. May cause skin irritation in some individuals; a skin test is recommended prior to use. Contact with eyes should be avoided.

Storage: It is recommended that oils packaged in metal containers (for safe shipping), be transferred into dark glass containers to maintain freshness and attain maximum shelf life.

IMPORTANT: All Rasheed products are for external use only unless otherwise indicated. This information is not intended to diagnose, treat, cure, or prevent any disease, and it should not be used by anyone who is pregnant or under the care of a medical practitioner.
