Black Hills Ski Team Organization 2025-2026

Skiers are organized into different groups based on age and abilities.

Our objective is to provide the skiers with challenges, fun, and a sense of accomplishment in their skiing experience.

Program. (approx. 6-18 years old)

This program is designed for athletes interested in ski racing. This program will focus on enhancing technique and preparing athletes to compete in club races and Northern Division races.

The requirements for this group are:

- Must be able to ski intermediate terrain (blue runs)
- Can load and unload the chair lift independently.

Ratio: Our goal is to have a coach to skier ratio of 3 to 4 skiers per coach.

Practices: This group meets every Tuesday and Thursday from 5:30 p.m. to 7:30 p.m. and Sundays from 8:45 a.m. to 2:30 p.m. with a 30-minute lunch break from 11:30 a.m. to 12:00 p.m. starting in December and ending with our end of the year celebration at the end of March. We do not have practices on holiday weekends.

Club Races: The Development Team will also participate in all Club Races, which are held at Terry Peak. The BHST tries to host 2 club races. A schedule will be released at the beginning of the ski season.

Northern Division Races: The Northern Division hosts races in Montana, Wyoming, and South Dakota. The competitive race schedule will be released before the ski season begins.

Cost of Program: \$750 for the program + the Northern Division race entry fees per race. (Family Discounts will be applied for siblings)

*A competitor alpine membership to USSSA is also required. For more information, please visit (website)

**The cost of the program does not include admission to Terry Peak. The skier must have a day lift ticket or Terry Peak Season Pass, including for evening practices.

Volunteer Hours.

We rely heavily on parent volunteers! Each family is expected to volunteer at least 10 hours to the team.
