

I have a problem and I need help.

I feel...

sad

angry

worried

something else

I don't know

Where was/is the problem?

home

school

outside

playground

somewhere else

Who is involved?

Just me.

family

friends

staff

someone else

When was it?

before today

earlier today

now

later today

in the future

What happened?

I don't understand

what someone said.

what I should do.

I got hurt

someone hurt me

I bumped into someone

I fell

someone else got hurt

I hurt them.

someone else hurt them.

they fell

something else happened.

What sort of help do you need?

I need you to listen.

I need advice.

something else

How big a problem is this for you?

It is all I can think about.

I need time to move past it.

I can move on from it quickly.
