## DANNY CLEMENT

Danny Clement is an exciting indie musician from Leeds, delivering upbeat, dynamic tracks that resonate with energy and authenticity.

His raspy, Springsteen-esque voice adds a raw edge to his performances, captivating listeners and leaving a lasting impression.

With a knack for crafting dynamic songs that blend indie melodies with a touch of country soul, Danny is quickly establishing himself as a standout talent in the modern music scene.

## LETTERS: THE DEBUT EP

Danny Clement's first official EP, *Letters*, is a heartfelt collection of songs that showcases his raw talent and emotional depth. His debut single gained over **10K streams on Spotify**, a testament to his growing influence in the music world.

With over **3.3 million views on TikTok** and 10 songs already in the pipeline, Danny is poised to keep the momentum going, sharing his authentic voice and soulful melodies with audiences over the next year. *Letters* marks the beginning of an exciting chapter for this rising artist.
