Experience and Expertise

TBR Consulting, LLC is a California-based veteran-owned small business with clients throughout the United States. Established in 2020, TBR Consulting, LLC is passionate about protecting others through preparation, planning and training for when it counts.

Core Competencies

Comprehensive Vulnerability Assessments – Full evaluation of your current facility or special event security plans, providing best practice recommendations for enhancement.

Training - We offer a spectrum of active threat training courses, or we can design a training program specifically for your group, organization, school, house of worship, or company.

Exercise Design & Implementation - Taking emergency planning to the next level, we design and facilitate training exercises, from tabletop exercises to full-scale exercises.

Emergency Planning - We will work with you to design and develop, revise, or update your critical incident response plans. We will design a comprehensive plan tailored to your needs.

Special Event Security Consulting – Hosting a national or international special event? Put our experience to work for you to design, build and coordinate your best event planning.

When you work with TBR Consulting, LLC, you gain a partner who:

✓ Has a unique combination of national-level crisis management leadership and operational experience at the national, state, and local levels.

✓ Is second to none in critical incident exercise design and facilitation, emergency planning, special event security management, crisis management, and in comprehensive training plan development and delivery.

✓ Maintains active partnerships with executive leadership in public safety at all levels, top leaders in the safety and security industry, and leaders in relevant technologies.

Differentiators

- Twenty years of experience as a FBI Special Agent, and a Supervisory Special Agent at both the Headquarters and Field level. Joint Terrorism Task Force coordinator.
- A decade of experience as a United States Air Force officer, managing multi-million-dollar state-of-the art modeling and simulation combat aircraft training systems.
- The FBI's first Certified Crisis Manager. Critical Incident Response Group (CIRG), national-level training exercises, FBI crisis response policy, along with critical incident response and management at the national, state, and local levels.
