THE BRAND

CampusCrew is a premier collegiate apparel brand that supplies high quality garments to colleges and universities across the United States and Canada. Since its establishment in '88, the brand continues to be family owned and operated. Campus Crew prides itself on its super soft fleece, high quality fabrics and innovative custom graphics and finishes.

We're the favourite 10-year old sweatshirt you wear at home. We're the bonfire hoodie with memories burned into it. We're the college sweater you wear running. We're the cold-morning coffee companion, the game-day t-shirt, the boating tank top, the winter-warmer, and the boyfriend sweater. We're Homecoming. We're vacation. We're Canada Day. We're the Fourth of July, and we're damn proud of it. We're proud to occupy a small but special place in the hearts of our people.

FABRIC & QUALITY

We pride ourselves on the quality of our products. We have spent the last thirty years designing the softest, highest-quality products possible. Our team has spent decades perfecting our supply chain and production processes, striving for continuous improvement. Our raw materials are carefully selected and sourced; our blends are meticulously crafted; and our washes are specifically designed to provide each style with the appropriate weight, feel, wicking and durability the garment requires.

EMBROIDERY

Our products are finished with custom-tooled embroidery machines designed to provide unmatched detail and comfort. Our specially-designed threads and soft-backed production process creates designs that never impede the flexibility or softness of our products.
