**Section**

**Chapter Award Nomination Form for  
“Project of the Year”**

**(Please select one of the four areas below that  
your submission best fits)**

- Manufacturing/batch processing/food  
processing/chemical plant**
  
- Power plant/geothermal/renewable  
energy/solar/wind/alternate energy**
  
- Hydrocarbon processing/  
production/terminals/pipelines/  
natural gas storage and pipelines**
  
- Water and Waste Water**

**Description of Candidate's Role in the Project:** Use this box to detail the specific reasons your project should receive an ISA Project Award. The application must provide metrics such as size, capacity, control system, software, energy saved/generated, dollars saved, carbon reduced, etc. Nominee would be required to verify statements made in this nomination prior to being confirmed as a winner. Please limit to 5 paragraphs (approx. 600 words). Note: No links or references to websites will be considered. However, up to two electronic photos may be submitted separately to [energydyn@icloud.com](mailto:energydyn@icloud.com) (Please include award category and nominee's name in Subject line of message.):
