Dear Patients,

I am writing to inform you that I am resigning from my work as an Orthopedic Surgeon at Moore County Bone & Joint and will be soon relocating out of state. I hope to convey just how hard this decision was for me, as I have greatly enjoyed my work here in Dumas. I have chosen to pursue an opportunity for self employment and this should not be considered a reflection of any kind of discontent with Moore County Hospital District.

My last day at Moore County Bone & Joint will be June 30, 2022.

If your next appointment is due before my departure, I will, of course, be delighted to see you at my office at the scheduled time. Beyond that, a new Orthopedic Surgeon, Dr. Renee Riley, has already been recruited and will be stepping into my place. I want you to know that I was a part of recruiting Dr. Riley, and I highly recommend her. She is a skilled and experienced professional, and I hold her in high regard. I feel confident that you and all of my patients will be in excellent hands under her care. Dr. Riley completed Medical School, residency, and Sports Medicine Fellowship at the University of Alabama at Birmingham. She will arrive August 8, 2022

James Warrilow PA and Trisha Agle PA, will continue to care for your needs at the clinic until the arrival of Dr. Riley. Your medical records will remain in our office unless you chose to have them transferred. If you have any questions, please feel free to call the following individuals:

Moore County Bone & Joint Clinic - 806-935-4535

Sincerely,
Casey Lagan MD
