**VERSE 1**

G C9 G  
There's a man from Nebraska  
Em7 G  
We share the same name  
C9 G  
But he knows nothing  
Em7 G  
Nothing about me  
C9 G  
But he once knew my mother  
Em7 G  
When she was sixteen  
C9 G  
And then when he left her  
Em7 Am7 G C9  
He left her with me

**REPEAT INTRO**

**VERSE 2**

Well she's fond of saying  
It's still a nice name  
  
For a ghost and a son  
And there's no one like me  
  
Except in Nebraska  
There's one who should be  
  
And I'll have to stand down  
Em7  
If ever we meet

**VERSE 3**

There's a town in Nebraska  
A man once lived there  
  
A man with a name  
That still endures here  
  
When I took it from him  
He only stared  
  
A ghost with a name  
  
And that's the last thing we  
shared.
