June 10, 2025

STORM DAMAGE SUMMARY

Front and East lawn

During recent tornado the falling trees and removal of heavy limbs resulted in significant damage to front lawn. Heavy equipment used to remove debris off the lawn damaged the lawn.

Project Outline

Refill sunken areas with compatible top soil and then groom with new sod to blend into existing lawn.

- Sod match required, vendor is located in St. Peters MO. Delivery is available.
- Yard of top soil can be purchased locally and trailered in.

BUDGET

Description	Cost
Sod match	\$ 250
Top soil	\$ 90
Labor	\$ 1,700
Total	\$ 2,040
