

CAPABILITY STATEMENT

ZACKARY ORTEGA

(915) 613-6880

ZACK@PROVERBS13CONSTRUCTION.COM

CORE COMPETENCIES

Executing any earth moving vision our client sends our way

- We pride ourselves on ensuring smooth project execution.
- Expertise in assessing project requirements and developing efficient strategies for implementation, ensuring smooth project execution from start to finish.
- Extensive experience in excavation, soil removal, and material handling to meet the precise needs of any project
- Proficiency in leveling, grading, and preparing construction sites to meet specific project specifications, ensuring a solid foundation for any structure or landscape
- Expertise in operating and maintaining a wide range of heavy machinery, ensuring that all equipment is used efficiently and safely

PAST PERFORMANCES

ROAD CONSTRUCTION & FRAC POND PROJECT

Collaborating with SJ General Contractors, we successfully completed over 4 miles of road construction, as well as the development of 3 locations and a frac pond.

RANCH RENOVATION PROJECT

For this project we were contacted by Huband-Mantor Construction, INC to complete some earthmoving services for their newly purchased ranch. Our scope of work included: Demolition of an existing house and debris removal, Road repair and maintenance over approx. 15 miles, Repair of dirt tank, Misc. dozer work to support ranch operations

LAND DEVELOPMENT PROJECT

We were contracted by Peter Ferguson to transform a raw piece of land into a fully prepared site, including the creation of a 230'x192' pad and the construction of a 20'x300' driveway with full compaction to ensure stability and durability

DIFFERENTIATORS

- With over 15 years of experience in dirt work, we possess a deep understanding of the industry and are committed to delivering results that meet the highest standards of quality.
- With 37 years of experience in underground infrastructure development, including the planning and implementation of water, sewer, and storm drainage systems
- We maintain continuous communication with our clients to ensure the project is completed efficiently and on schedule, while adhering to budgetary constraints from start to finish.
- We provide tailored solutions for every project, adapting our methods to meet the specific needs of each site, ensuring optimal results and client satisfaction.
- As a family-owned business, our Christian values are the cornerstone of everything we do, fostering a work environment based on respect, trust, and a commitment to excellence.

Proverbs 13 Construction maintains comprehensive Workers' Compensation Insurance and General Liability Insurance. Additionally, we have the capability to secure bonding as required for specific projects.
