About Us

Proverbs 13 Construction is a family-owned company founded on unwavering Christian Values. We provide expert earth-moving and construction solutions with integrity, reliability, and personalized service. Our mission is to transform visions into reality while honoring faith, building trust, and exceeding expectations.

Core Competencies

- Project Planning & Management - Expertise in assessing project requirements, developing efficient strategies, and ensuring smooth execution from start to finish.
- Excavation & Material Handling - Extensive experience in excavation, soil removal, and material management tailored to meet project specifications.
- Site Preparation & Grading - Proficiency in leveling, grading and preparing sites to deliver a strong, reliable foundation for construction and landscaping.
- Heavy Equipment Operations - From residential to industrial, construction metal buildings up to 150' x 150'.

Past Performance

- Road Construction & Frac Pond Development - Excavated material from three pit locations, completed over four miles of road construction, and developed three sites including a frac pond, project was successfully completed on time and within budget. (West Texas Brine Research)
- Ranch Renovation - Completed demolition, debris removal, and over 15 miles of road repair for a newly purchased ranch property. (Huband-Mantor Construction)
- Land Development - Transformed raw land into a construction-ready site, including a 230' x 193' pad with a 20' x 300' driveway with full compaction. (Peter Ferguson)
- Metal Building Construction - Successfully oversaw completion of a range of buildings, including residential and industrial projects up to 150' x 150'.

Differentiators

- Proven Experience: Over 40 years of combined dirt work and project management expertise
- Client-Focused Communication: Continuous communication ensures efficiency, budget control, and on-schedule completion.

- Tailored Solutions: Every project is adapted to meet unique requirements, guaranteeing optimal results and client satisfaction.
 - Specialized Craftsmanship: Expertise in pipe fence construction that combines structural integrity with aesthetic appeal.
 - Faith-Based Values: Guided by Christian principles, fostering respect, trust, and commitment to excellence in every project.
