CO AUTHOR: OVERCOMING SELF-SABOTAGE

Overcoming Self-Sabotage offers practical insights from 10 influential women worldwide to help readers conquer mental barriers, manage stress, and foster a growth mindset. Delving into the roots of self-sabotage, this book addresses how negative patterns develop and provides actionable tools like mindfulness meditation and emotional intelligence exercises. Offering down-to-earth advice and simple strategies, it's a must-read for anyone seeking to break free from limiting beliefs and achieve their fullest potential.

CO-AUTHOR: SHATTERING THE STIGMA OF SINGLE MOTHERHOOD

This book sheds light on the experiences of 15.6 million single mothers in the U.S., exploring their resilience amid challenges such as abuse, societal judgment, and raising children alone. Through 25-30 real-life stories, it aims to inspire readers, evoke emotions, and bring attention to the often-overlooked issue of fatherlessness, showcasing how these women emerged stronger after enduring hardships.

CO-AUTHOR: IS MANIFESTING BULLSHIT?

This book shares the collective journey of a Mommy/Daughter trio—Cindy Witteman, a TV Show Host, Non-Profit Founder/CEO, and Best-Selling Author, along with her daughters Kimberley and Kaitlyn. They blend true stories of triumph with practical advice, showcasing Cindy's rise from humble beginnings to success and her daughters' diverse experiences. Initially skeptical of 'Manifesting,' they later embraced and applied its principles to achieve their goals. United as mothers, they explore the question: 'Is Manifesting Bullshit?' while sharing their secrets and collective journey with readers.

Our Mission

The mission of Driving Single Parents, founded by Cindy Witteman, is to provide reliable vehicles to single-parent families at no cost. As the CEO of this 501(c)3 non-profit, Cindy is dedicated to changing lives by helping them to regain their independence and overcome the challenges of single parenthood. Through this initiative, the organization aims to be a catalyst for positive transformation, enabling parents to use the provided vehicles as tools to navigate their lives successfully. The ultimate goal is to create success stories, allowing single parents to move beyond their struggles and embrace a future filled with possibilities.

- Challenge Negative Thoughts: how to identify and replace these with more realistic thinking.
- Optimistic Affirmations: Replace self-limiting thoughts to build confidence and redirect your mind towards constructive and optimistic thoughts.
- Surround Yourself with people with an Upbeat Outlook: Engage with uplifting people, media, and interpretations to reshape your perspective.

Adversity

In this workshop, I cover the following topics:

- Resilience Building
- Learning and Growth
- Adaptability: Using challenging circumstances as a catalyst to adapt, innovate, and develop new skills
- Clarifying Priorities: how to use adversity as a prompt to reflect on what truly matters to you, helping you focus on meaningful goals and values
- How adversity can be the catalyst for change

Confidence

- In this workshop, I discuss how confidence is the key to success in both personal and professional life. Learn how our life and confidence coaching can help you boost self-assurance, overcome obstacles, and set yourself on a path to personal growth and fulfillment.

Get to Know Cindy

Share a little bit about yourself:

I am a mom of 6 kiddos with 3 grandkids, a Business owner, NonProfit Founder, Best Selling Author, Beekeeper, Podcaster and TV Show Host.

What are 3 of your favorite things and 3 things you dislike?

I love time with family and being a change maker. I don't like wasting time, traffic or being inefficient.

Why did you start your business?

I started my business to continue my life of service while making an enjoyable living by helping others.

For your books, why did you want to be a part of these books?

I chose to be a part of these books because I feel they can truly help a person at a crossroads in their life.

What is your biggest piece of advice for the women that you serve?

For women between the ages of 35 and 50 striving to discover their true selves and understand their passions, my foremost advice is to be proactive. Achieving anything in life involves not only researching your goals and the necessary steps but actively utilizing that knowledge as a source of empowerment to propel yourself forward. Even during moments of fatigue or reluctance, it's crucial to persist and evolve, as the key to reaching your goals lies in consistently taking action to bring them to fruition.
