

2026 Sponsorship Package

**WE CARE
WE GIVE
WE INSPIRE**

To Whom It May Concern,

I hope this message finds you well. On behalf of the Naperville Junior Woman's Club (NJWC), I'd like to invite you to join us in making a difference through our sponsorship program directly within the community of Naperville.

Since 1967, NJWC has worked to improve Naperville through volunteerism, fundraising, and resource support for local organizations by providing award-winning safety programs, scholarships to local students, and grants to local organizations. We've donated over \$1 million to various causes and dedicated thousands of volunteer hours to serving our community.

Our efforts are extensive, but our most recent contributions include support for Martin Avenue Apartments, a low-income housing development for seniors, by providing meals, gifts, and direct companionships. We have donated to local organizations such as Mutual Ground, CASA of DuPage County, and most recently Special Spaces. We also sponsor Naperville Safety Town, which you are probably familiar with as the community safety program for children. We are your host for events like Hoppy Easter and Trick-or-Treat at Safety Town. Additionally, our scholarships to high school seniors in Naperville come from our support of the Michelle LaFrey Fregoso Scholarship Program.

We cannot achieve our mission alone and would like to invite you to support our philanthropic efforts. Please consider participating in our sponsorship program, making a tax-deductible donation. Through our sponsorship program, the NJWC can also help cultivate consumer awareness around your business or organization through our monthly meetings, community events and social media campaigns. You can find details regarding our sponsorship program in the attached form.

Please reach out to Beth or Tracy if you are so gracious to support our club.

We appreciate any tax-deductible donation that you can give. The NJWC is only successful thanks to the support of local residents, organizations, and businesses like you!

Warm regards,

Beth Wilken
