

Monterey Institute of International Studies

March 28, 1998

Ms. Stephanie Sherrill
1484 Branston Street
St. Paul, MN 55108

Dear Ms. Sherrill:

Congratulations! I am very pleased to inform you that you have been awarded a Monterey Institute Merit Scholarship.

As there were many highly qualified scholarship applicants, you can feel very proud indeed of your selection by our Scholarship Committee. The award of \$9,100 will be applied to your 1998-99 tuition, which is \$18,200. Based on satisfactory academic achievement, your scholarship will be renewed at a value of half-tuition for the 1999-00 academic year.

Your international background matches the ideal profile of a Monterey Institute student. I believe you will be challenged by our intensely participatory programs of study and that you will be a valuable addition to our international community. As you may know, students from over fifty countries attend the Institute, and almost all of the American students have lived abroad. With your previous experiences, I think you will feel very much at home here.

Please inform Mr. Michael Benson, Director of Student Financial Aid, in writing by May 15, 1998, whether you wish to accept this award. If we do not receive your written acceptance by that date, we reserve the right to transfer your award to another student. If you have not already submitted your tuition deposit, we would ask that you do so by May 15.

Best wishes for your continued academic and personal success.
I very much look forward to welcoming you to the Monterey Institute.

Sincerely,
