المندي الأصلي علي التنور تحت الأرض  
Since 08/04/2009 @ U.A.E

"هني وعافية"

"قيل في بداية الوجبة في الثقافة الإماراتية بمعنى "عسى أن تكون هذه الوجبة لذيذة وتمنحك الصحة والثروة

زمزم المندي هو تراث الأصالة. نشأت في حضرموت ، اليمن وسرعان ما استحوذت على قلوب الخليجيين ، وبالتالي قلب الإمارات العربية المتحدة. هذا الطبق الأسطوري مستوحى من التقاليد الخليجية الخالدة حيث تثري مشاركة الوجبة الرابطة الأسرية

يبدأ هذا الفخر التقليدي رحلته في فرن التنور حيث يتم طهي الأرز ببطء مع اللحم الطري والتوابل للحصول على ذلك الأرز المدخن اللذيذ مع اللحم الطري. تأتي كلمة مندي من الكلمة العربية ندى ، وتعني الندى ، وتعكس القوام "الندي" الرطب للحم

لذا استمتع بالمندي الخاص بك بينما نرحب بكل ضيف بنفس الدفء وكرم الضيافة من أحبائهم

*Hani wa afiya [Hani.Wuh. aa-fee-yeah]*

*Said at the beginning of a meal in Emirati culture, meaning "May this meal be tasty, and provide you with good health and fortune".*

*Zam Zam Mandi is a legacy of authenticity. It originated in Hadramout, Yemen and soon captured the hearts of the Khaleeji, and in turn the heart of UAE. This legendary dish is inspired by the timeless Khaleeji tradition where sharing a meal enriches the family bond.*

*This traditional pride starts its journey in the Tanoor oven where rice is slow cooked with tender meat and spices to attain that flavourful smokey rice with juicy meat. The word Mandi comes from the Arabic word nada, meaning dew, and reflects the moist 'dewy' texture of the meat.*

*So, enjoy your Mandi while we welcome each guest with the same warmth and hospitality of a loved one.*
