

In My World

Sometimes people will try to trick us into doing something we know is wrong. They will make us think that we are the only people not doing something. They will make the bad things look like fun. They will even make us think its not that big of a deal to break a rule. We need to always remember what God wants us to do and do it no matter what anyone says. Sometimes doing the right thing means standing up to temptations and sneaky people. If we trust God, He will help us know how to always do the right thing.

Reflection Questions

1. Have you ever broken a rule because you thought it was a dumb rule or because you thought breaking it wouldn't be that big of a deal?
2. Have you ever tried to explain your way out of trouble or blame someone else for something you've done wrong?

My Prayer for You

My prayer for you is that you stand strong against temptation. Satan will try to get in your head and convince you that sin is ok. The world will make sin look like fun or make you feel left out for not participating. My prayer is that you see Satan all over those bad ideas and harmful thoughts. I hope you call upon God to give you strength to resist temptation and make choices that please Him.
