

In My World

David was very brave to fight Goliath. When everyone else was scared, David knew God would protect him. Sometimes in our life we have a giant to fight. That doesn't always mean a great big scary man that we will need to kill, but sometimes we have to do things that look like they are too big for us to do. God doesn't want us to go out looking for fights to try to win but sometimes we will have to stand up and do the right thing when no one else will. In those times, if we are trusting God and we are doing the right thing, we can trust that God is going to give us the strength to get through the obstacles that are in our way.

Reflection Questions

1. The rock didn't kill Goliath. David's faith in God is what killed the giant. Have you ever seen God use something very small to do something very big?
2. Would you have had the courage to stand up to Goliath? What are some of the Goliaths in your life?

My Prayer for You

My prayer for you is that you let God fight your battles. David threw the stone because he knew God could guide the stone and put enough power behind it to get the job done. My prayer is that you trust God's strength when you are fighting the Goliaths in your life. Goliaths sometimes look like other people, sometimes they look like sickness or troubles. Whatever you are going through in your life, whatever your Goliath may be, my prayer is that you trust God for the strength to fight.
