

In My World

God asked Abraham to do something very difficult. Abraham loved Isaac but he loved God more. He obeyed God even though it was very hard for him to do what God was asking him to do. Sometimes God calls us to do hard things. Sometimes what we need to do and what we want to do are very different things. In those times, we must do what is right in God's eyes. Whenever we are doing what God wants us to do, we can have faith that He has the situation under control, and everything will work out according to His perfect plan.

Reflection Questions

1. Have you ever had to give up something you loved for someone you love?
2. God had promised Abraham He would have many descendants. What do you think Abraham was thinking about God's instructions to kill Isaac?

My Prayer for You

My prayer for you is that you pass every test God throws your way. I pray when God is asking you to prove your love for Him, you do whatever He is asking you to do. I pray that you love God so much that you can trust Him even when His plan doesn't make sense to you. I pray that God gives you strength to do hard things and that you never forget how much He loves you.
