

In My World

God called Jonah to go to Ninevah to warn the people what God would do if they didn't repent and turn to him. Jonah didn't want to go to Ninevah. He didn't like the people of Ninevah. He knew God would save them, but he didn't want God to save them. He wanted God to punish them. Sometimes we might not want to help or show love to someone because we don't like them. Regardless of how we feel about someone, God loves them. God loves us on days when we are hard to love, and we need to share that love with all people.

Reflection Questions

1. Have you ever avoided someone because you didn't like them?
2. Have you ever had to admit to someone or a group of people that you were the problem? Have you ever had to remove yourself from something so other people could get the job done?

My Prayer for You

My prayer for you is that you never run from God. Sometimes the path He has for us to walk isn't the path we want to take. God knows the whole story. He knows the dangers in the path we want to take. God's plan for us is way better than we could ever plan for ourselves but sometimes getting where God wants us to be might take traveling the roads we would rather avoid. My prayer is that you don't get off track. I pray you keep God's will in your focus and make decisions based on what He would have you to do.
