

In My World

When Jesus said “follow me” Matthew immediately got up and followed him. Sometimes in our lives God is calling us to do something. It may be something small like holding the door for someone at a restaurant or helping someone pick up something they dropped. Sometimes God maybe asking us to do something big and a little scary. We need to be like Matthew and stop what we’re doing to do what God wants us to do.

Reflection Questions

1. Have you ever felt like you needed to do something but didn’t do it fast enough and the moment passed? Did you regret waiting?
2. Has anyone ever randomly asked you to do a job that you didn’t feel you were good enough to do? Have you ever wondered “why me?”

My Prayer for You

My prayer for you is that you are always willing to follow where God leads. I pray that you rise up immediately when He lays it on your heart to do something even when the something is out of your way or a little uncool. God has a special plan and a purpose for you and He may be calling you to help someone that only you can reach. He may be using a small act of obedience to change your life or the lives of those around you. My prayer is that you choose to obey Him immediately so you can do the work that He has called you to do.
