

### In My World

Naaman was upset when Elisha's servant told him to dip in the Jordan River 7 times. Naaman wanted Elisha to heal him in a great big fancy way, but God doesn't always work in great big fancy ways. Sometimes God is going to call us to do something simple and then He will use our obedience to do great things. If Naaman hadn't been willing to get in the dirty water, he would have never been healed. Don't miss out on God's blessings because what He is asking you to do might be a little messy.

### Reflection Questions

1. Have you ever wanted to skip out on doing something because the job was too gross for you? Did you think someone else should do it for you?
2. Have you ever not wanted to talk to someone because you thought you were better than them? Have you ever excluded someone because of how they look or smell?

### My Prayer for You

My prayer for you is that you are never "too good." I hope you stay humble no matter where life leads you or what you have. I hope you see every person as God's creation, who is loved by Him as much as you are loved. I hope you never try to put yourself in a category above any of God's children. I also pray that you never miss out on the blessings God has for you because you don't want to get your hands dirty. Never look at what God is calling you to do as something you are too important to do. Always let Him lead and guide you even if it's into muddy water.
