

In My World

Something very bad happened to Paul and Silas. They were beaten and thrown into prison for helping someone. Even when things looked like they couldn't get any worse, Paul and Silas still praised God. They still told others about Jesus. Sometimes in our life, bad things will happen to us even though we don't feel like we deserve it. Even in dark scary moments we can still find a reason to praise God and share His love. God wants us to tell others about Him even those people who have been mean to us. Don't let bad days keep you from sharing God's love with others.
