

Look it Up!

And 2 Across the son of Nun sent out of Shittim two men to 3 Across secretly saying. Go view the land, even 2 Down. And they went and came into an harlot's house named 4 Down, and lodged there. Joshua 2:1

But she had brought them up to the 6 Across of the house, and hid them with the 3 Down of 5 ACROSS, which she had laid in order upon the roof. Joshua 2:6

Then she let them down by a cord through the 1 Across for her house was upon the town 1 Down, and she dwelt upon the wall. Joshua 2:15
