

In My World

Josiah tried to always do the right thing and to glorify God in all things. When he found out that he was breaking rules he didn't even know about, it upset him so much that he fell before God and ripped his clothes in sadness. Sometimes we mess up and we do things that we shouldn't do and sometimes we don't even know that those things are wrong. Anytime we find out that we have done something against God, we should go to Him and ask His forgiveness. Even if it was an accident, we still need to seek forgiveness for our sins.

Reflection Questions

1. Have you ever gotten in trouble for breaking a rule you didn't know about? How did that make you feel? What did you do?
2. Does it bother you when you sin against God as much as it bothered Josiah?

My Prayer for You

My prayer for you is that you live your life trying to please God with your actions and attitudes. I pray that you walk so closely to God that you choose not to sin but when you do sin, you will be convicted of that sin, confess it to God, and ask His forgiveness. I pray that your sins bother you to the point you want to sin less. We all sin and those sins separate us from God, so He sent His one and only Son to pay the price for our sins. My prayer is that you accept Jesus Christ as your Savior and ask him to come into your heart and wash away your sins.
