

Congratulations on taking the next steps to higher education! The Pend Oreille Players Association wants to award our graduating seniors for their excellence in the performing arts by providing the opportunity to apply for our POPA Youth Scholarship Program.

The Pend Oreille Players Association is a nonprofit community theater organization dedicated to providing family-oriented performances and arts education. POPA offers a safe, inclusive, and inspiring environment for youth and adults to explore their creativity, develop essential life skills, and grow into compassionate and engaged members of our community through the magic of live theater. POPA's mission is to inspire, educate, and entertain the community through low and no cost opportunities to participate in and enjoy live production and performance. If you feel that you embody this mission, we encourage you to apply!

For years, POPA has had the privilege of granting scholarships to our youth volunteers. The individuals who have been awarded our scholarships in the past have received training in acting, technical design, costuming, stage makeup, props, set design, directing, stage management and even front-of-house ushering.

We are looking for applicants who embody good discipline, positive energy and who have shown a willingness to learn within our organization.

Again, we want to congratulate you on your future endeavors!

**Best of luck,
Pend Oreille Players Association, Board of Directors**
